

Report On Financial Problems Of Newly Formed City is Released

A partial report by the taxation and revenue committee of the committee for Campbell incorporation reveals some of the problems which must be met by a newly formed city. The report, submitted by Leslie Kerr, follows.

The first year of a newly incorporated city presents real financial problems for the incoming city council to solve. And the timing of the incorporation is essential in that failure to meet dead-line date will incur the penalty of still greater and more intricate problems to overcome. Normally, the first installment of property taxes are due November 1, and delinquent December 5; the second installment being due January 20, and delinquent April 20 of the following year. In order to receive any funds from the city-tax levy, to be collected at this time, the City of Campbell must be incorporated before February 1st of that year. In any event, the City of Campbell must be financed for approximately ten months without benefit of ad valorem tax income.

If the town of Campbell is not incorporated until after February first, the new city will not receive property tax monies for about an additional twelve months.

The date of incorporation is not as important with respect to other revenues. Except that, the city should be incorporated by June 20 in order to receive its June allocation of the motor vehicle license fees, and the quarterly apportionment of the gas-tax funds.

The following tabulation indicates the source of and the probable availability of funds with which to operate the City of Campbell during the period when property-tax income is not at hand.

Income per unit of population	City population 6,000	City population 8,000	City population 10,000
Business license fees	\$0.80	\$ 4.80	\$ 8.00
Departmental permits	0.30	1,500	2,400
Gasoline tax	2.87	17,220	22,960
Motor vehicle license fees	3.69	22,140	29,520
Alcoholic control act	0.30	1,500	2,400
Court fines and penalties	1.70	10,200	13,600
Privileges	0.10	600	800
Fees, charges for services	0.24	1,440	1,920
Total	10.00	60,000	80,000

It will be noted that probable income items are based on a city population of various numbers of citizens. The reason for this is that, it is not now known just what the population of Campbell will be at time of actual incorporation. Therefore, the estimates are projected on the numbers shown. Also on a "unit of population" ratio of \$10.00 in the aggregate for each inhabitant.

The first six items have been duly considered and described in previous reports. The last two items are rough estimates based more or less on the following:

(1) Revenues may be received from such sources as refunds, interest on invested funds and bank deposits, gifts, special privileges, etc.

(2) Particular reference to service charges is warranted. However, income from this source is so completely dependent on available facilities, prospective patrons, and administrative policy that a reliable estimate for Campbell is quite impossible at this time.

In this connection, it is worth noting that the nine cities of Santa Clara County collectively received \$998,000 in departmental "fees and charges for services" during the year ending June 30, 1950. Of this amount, Palo Alto received \$433,000, mostly by its sanitary department; San Jose the sum of \$408,000, largely by its street department. The cities of Mountain View, Sunnyvale and Santa Clara collected varying amounts ranging from \$55,000 to \$37,000 each.

The service charge of some cities is made on the basis of actual cost for such services as garbage and refuse collection, cutting or burning weeds, maintenance of street trees, repairing sidewalks, street cleaning, special police service, fire hydrant service, street lighting, sewer use, etc. The feature these have in common is a measurable service benefitting an individual or a limited area with only incidental benefit to the remainder of the community.

Dependent on current policies of the several special districts that will be absorbed by the City of Campbell, all assets of a district are to be transferred to the city. Reserves can be used as a means of financing the City of Campbell during its "dry period" awaiting local tax money.

Taxes receivable, levied by the special districts of Campbell before city incorporation but available only after dissolution, may be used by the City of Campbell for the purpose for which levied. It may be possible, as a city, to borrow or simply use these tax monies to meet operating expenses. It may also be possible to make a levy before incorporation for the specific purpose of contributing the monies thus raised to the city as a working fund.

If the City of Campbell needs funds before December and after July first, "tax anticipatory" warrants or notes may be used as a temporary means of securing a working capital with which to operate the city during the period when the city tax levy is not as yet due and payable. These securities would, of course, become a lien on such tax monies.

Another means of securing working funds is through a bond issue. Such methods are highly objectionable and when so employed, is usually an indication of lack of foresight on the part of the city administration or city council or both. Extravagance may also be a contributing factor for necessity.

The costs of government appear about equal for equal services whether under city, special district or county operation, although city government usually and eventually costs more due to the increased demand of the people for additional and superior services. Yet, it is logical to expect greater efficiency and more economy in costs of service under local management than is likely to result from remote control by absentee administrators.

As a result of Campbell's incorporation, decisions of local importance will be made by a city council elected by the people residing in the city of Campbell. As an unincorporated community, the town of Campbell will be greatly dependent upon the action or inaction of the county board of supervisors. Such a board is and must of necessity be concerned with the welfare of an entire county and cannot be expected to give exclusive attention to any one community.

The county may or may not be in a position to furnish all city services at a lesser cost than would result from a city performing its own services. In some instances, the answer is "Yes." As for example, the county has a well established organization with ample facilities for collecting property taxes. And it can and will collect property taxes for the city on a fee basis at a much lower cost than would be possible if done by the city of Campbell. In other cases the answer is a positive "No." And in still other cases the county supervisors either will not or simply cannot afford to furnish such services as collections of business license fees and other municipal charges of various kinds and nature.

It would appear possible to secure a tax rate on city property at a somewhat lower rate than is possible under Santa Clara County management, at least until such time as the people of Campbell demanded additional facilities and improved services. More especially if and when the county is required to charge unincorporated communities for services now furnished without charge under the present county tax rate. Capitola is a case at hand in which it is entering the second year of city operation without any assessment of a city tax rate.

The electors of this community have their choice of either governing themselves or becoming the subjects of other rulers, namely:

(1) Incorporate the town of Campbell and become the masters of their own destiny, or

(2) Remain as an unincorporated community and accept whatever facilities and services the County board of supervisors are willing to furnish. With the further possibility of eventually being required to pay more for inadequate facilities and indifferent services than would be the result from actions of a corporate entity, or

(3) Await absorption by or annex to some nearby city and thus run the risk of being treated as an interloper with little or no voice or choice in the city management. And, in addition, being required to liquidate local debt without aid, and at the same time compelled to participate in debt of the favored city.

The electors of Campbell and the adjoining areas should give careful consideration to the advantages and the disadvantages of incorporation as compared with annexation. Especial attention should be given to amount of bonded indebtedness and the city tax rate. Otherwise, he is most likely to find himself and his friends paying a substantial bonus for the privilege of becoming residents of some particular city. Tax levy for fiscal year 1950-51 of San Jose was \$1.599 and \$2.204 for Santa Clara. The highest rate applied during 1949-50 was \$1.6101 and \$2.037 respectively.

Campbell as a sixth class city would not be permitted, under state law, to exceed a tax rate of \$1.00 per \$100 of assessed value, except that it be authorized by majority vote of the electorate. However, some cities get around this provision by increasing the valuation. In the humble opinion of the writer, the city of Campbell should accept the county valuation as fair and equitable for city purposes. And that, the first city council would not be justified in using the maximum rate of \$1.00 as permitted by state statute.

No minimum city rate is specified as is evidenced by rates of the following (partial listing) cities:

Goal Set At \$14,000

Construction At Cambrian School Nears Completion

Finishing touches on construction of two of the three new wings at the Cambrian School are being made this week while completion of five of the rooms of the third wing is scheduled for Thanksgiving with the remainder by Christmas. Total enrollment of the school when all construction has been completed will pass the 700 mark. Total cost of the construction plan is set at \$385,000 and in addition to new classrooms, includes a shop and homemaking room, and remodeling of offices.

Fall term will start on September 17 and registration of kindergarten and first grade students and students new to the area will get underway September 11 to 14.

Six new instructors will join the teaching staff at the school. New teachers are Nancy Jarrett, first grade; Katherine S. Hewitt, fifth grade; James Weybrew, sixth grade; Mrs. Richards, kindergarten; and a shop teacher and swimming instructor yet to be named.

LET A CLASSIFIED AD SERVE YOU

It took only four hours to satisfactorily answer the following classified ad which was placed in the Press last Friday.

WANTED - Refined, agreeable, mature woman to share home and expenses with a woman alone. Reference exchanged.

Between ten and twelve thousand people see your classified ad in the Campbell Press with each issue. Remember, to buy, to sell, to rent or trade, a Press classified is the best buy you can make.

COMMUNITY SERVICE FUND DRIVE PREPARATIONS NOW UNDER WAY

The meeting of members of the council of the Community Service Fund previously scheduled for August 27 has been postponed until September 10 so that it will fall closer to the opening date of the fund drive. Actual date of the opening of the drive will be announced later. All members of the council and persons interested in the Community

Kiwanis Hear Talk On Real Estate Problems

Louis Gairaud, member of the executive committee of the National Realty Board, and past president of the San Jose Realty Exchange, spoke to members of the Campbell Kiwanis at their luncheon meeting last Tuesday on the problems of real estate ownership in different countries of the world.

He highlighted his talk with an explanation and description of a recent trip he made to Paris to attend the International Real Estate Conference. The speaker pointed out some of the different property tax structures present in many of the countries of the world, stating that some nations make any sale of real property unfeasible through a 100 percent tax on all the profits. He said that almost every country in the world requires the owner of real property to obtain permission from the governing body before selling.

"If we are to maintain our present freedoms," Gairaud continued, "Our right to own, to sell, and to make a profit, we must be constantly on guard against government encroachment of our right."

Joe Dahl was program chairman for the event.

Service Fund are asked to attend this meeting because it will be one of the last prior to the opening of the drive.

Funds collected in the drive will be spent, in their entirety, on worthy local organizations and local youth organizations. Quota for this year is \$14,000. Organizations which will receive benefits from the funds collected are Boy Scouts, Girl Scouts, Campfire Girls, YMCA, School Milk Fund, Library Fund, Scout Hall Association, Visiting Nurse Association and Family Service Fund. Last year's quota was \$7800.

Eugene Barnes, campaign chairman, stressed that all monies collected would be spent locally. He added that many persons who live in Campbell and work in other areas have been in the habit of contributing where they work instead of in the area in which they live. "This is not fair to these persons' own children or to their neighbors. When money for the drive is contributed in Campbell, it goes toward helping children and worthy organizations right in the Campbell area. Money contributed in other areas by Campbell residents only goes toward building up the organizations of that community. I urge everyone who lives in Campbell and is contemplating making a donation in another area instead, to give the matter serious thought."

C. P. Klassen is president of the council. Mrs. G. M. Youngman is secretary, Earl Mamilton, vice-president, and E. W. Barnes is campaign manager.

High School Construction To Be Ready For Fall School Opening

Completion of all buildings under construction at the high school with the exception of the girls' gym and the swimming pool is expected by the opening of fall term on September 17. The teaching staff of the high school has been increased by seven instructors with a total of eleven new teachers at the school.

Completion of portions of the construction at the high school was delayed by the contractors tie-up earlier this month. Preliminary approval of the plans for the new agricultural building has been given by the Department of Schoolhouse Planning. Additional plans for buildings housing offices for the school nurse, attendance office, two student body conference rooms, and two study halls are now under consideration. Also scheduled for construction in late March of next year are two more classroom buildings housing six classrooms each. When completed in 1952, the additions will provide adequate facilities for a total of 1600 students in the high school.

Registration for students new to the area will take place the week of September 10.

New instructors at the school are: Mrs. Marion Cox, former teacher at Campbell High school. She will instruct classes in typing. Mrs. Barbara Edwards, former Campbell teacher, will instruct Spanish classes. Milton Foskett will teach mathematics. He is a former instructor at Hayward Elementary school. Mrs. Dorothy Harrington, home economics teacher, formerly taught adult education at San Jose High school. Camellian Hauck, English instructor, is a former teacher at Riverside School in Riverside. Since 1949, she has been attending Stanford University in preparation for her master's degree. Mrs. Elizabeth Hines, French teacher, is a former instructor at Napa Junior College. Beverly Martella, who will instruct classes in English, attended the University of California. Garth Norton, social science, is a former teacher at Hayward Elementary school. Josephine Sanfilippo, Spanish and Latin, formerly taught at David Starr Jordan High school. She has been attending Stanford recently in preparation for her master's degree. Bertie Vekander, English, formerly taught at Gonzales Jr. High School. Mrs. Lura Flint, county hospital teacher, is a former instructor at Turlock High School.

Construction which has been under way during the summer and

Committee To Ask Funds For Special Election

A spokesman for the committee for Campbell incorporation stated this week that solicitations will begin next week for funds to finance the incorporation election. "Funds collected will be used only for financing the election and for no other purpose." The county requires that the proponents of an election to decide the issue of incorporation of an area post \$1500 to cover the costs of holding a special election. Anyone who has not been approached may make out checks payable to Ethan Lanphear, who is treasurer for the committee for Campbell incorporation. Mail all checks to L. W. Harmon, 150 East Campbell Avenue, or E. E. Lanphear, 231 East Campbell Ave.

Red Cross Drive Reaches \$700

Total amount of contributions received by the Campbell chapter of the Red Cross for the relief of flood stricken areas in the Mississippi River territory have reached \$700. A spokesman for the chapter stated that the response to the voluntary drive was extremely gratifying. He asked, however, that those who have overlooked their subscriptions to make them at the office of Guy Farley on Campbell Avenue.

The drive, sponsored by the National Red Cross and local chapters, is a voluntary drive to assist destitute families of the flood area. No local goal has been set.

Poor Ronnie wrangled wearily To put ideas over Then he tried our classified Now Ronnie is in clover.

Employees of the PG&E Company started work Monday on erecting lighting poles for the additions to the Campbell Lighting District known as the "Whiteway." Additions at a cost of \$8000 will include lights every 75 feet along Campbell Avenue from the San Jose-Los Gatos Highway to Milton. Additions are scheduled for completion in September. Workers shown here are setting a pole on Campbell Avenue in front of the grammar school while an interested audience looks on.

FACULTY OF CAMPBELL DISTRICT SCHOOLS SHOWS LARGE INCREASE

The faculty of the Campbell School District has been enlarged to 102 instructors this year, an increase of twelve teachers over last year's staff. Completion of construction and remodeling progressing during the summer months is now drawing to a close. Permission to start construction on the Cypress Avenue School has been given by the National Production Authorities and the California Dept. of Education, Division of Architecture. Construction is slated to begin on October 1. The new school, to be located south of Stevens Creek Road, will have initial facilities for 400 students with eventual enlargement to serve 600 students. Total cost is set at approximately \$300,000.

Registration of kindergarten, first grade and students new to the area will be held from September 4-14. Opening day of school will be Tuesday, September 17.

New faculty members are: Campbell Grammar school, Lela Salmi, former Campbell teacher and more recently a substitute instructor for schools in the county; Mary Everton, former instructor at Grants Pass, Oregon; Robert Brodie, graduate of Stanford and holder of an MA in education; Don Stephen, graduate of San Jose State; Patricia Kern, former teacher in Patterson; Florence Gilmore, instructor in blind and handicapped children from San Francisco.

ROSEMARY SCHOOL

Instructors for Rosemary school are awaiting completion of the new school and are at present teaching at Campbell. New teachers are Georglyn MacDonald, graduate of San Jose State; Henrietta Wehrli, formerly of San Mateo; Edith Mattie, former teacher in Norwalk School District of Los Angeles County; Elaine Kelly, from Alisal school district in Monterey county.

MOORPARK SCHOOL

New teachers at the Moorpark school are: Dorothy Mauser, former instructor at Moorpark; Eulah Blaine, former Campbell teacher; Doris Thomas, former teacher in Glendale and Modesto; Early Morway, graduate of San Jose State; Stanley Gould, graduate of San Jose State; and Verle Houghtaling, former Campbell teacher who has recently returned from an instructing position in southern California.

SAN TOMAS SCHOOL

New instructors at the San Tomas school are: Dorothy Blair, former teacher at Whisman school; Elizabeth Landin, former instructor in Alum Rock School; Elizabeth Meiske, who formerly taught at Truckee; Helen Powell, former Campbell teacher; Mary Morse, former teacher in Hoopa school in Humboldt county; John Dewey, graduate of San Jose State; Claudia Kirby, from Colorado schools; Samuel Cook of Madera schools, and Weldon Adams, graduate of San Jose State.

September 17 Is Starting Date At Moreland School

Fall term will start in the Moreland school on September 17, pending completion of construction now underway. An anticipated enrollment of 665-700 is scheduled for attendance at the school. Registration of kindergarten and students new to the area will take place on or before September 16, from 9 a.m. to 5 p.m. each week day.

Construction at the school includes building of six classrooms and two kindergartens. Also scheduled for completion by October 19 is the new administration building, teachers workroom and cafeteria.

The teaching staff of the school has been enlarged to 20 instructors, an increase of four teachers over that of last year. New teachers are: Matthew Lowenstein, Mrs. Margaret Brusch, Margaret Sanfilippo, Mrs. Ida Mathis, Mrs. Alice Sheldon and Helen Jones. Lowenstein is a graduate of San Francisco State College. He participated in the Santa Clara County camping program as an instructor. Mrs. Brusch is a graduate of San Jose State College and has taught fifth grade in the Sacramento Valley schools. Margaret Sanfilippo is a graduate of San Jose State College. She has a special secondary credential in music and has taught in South San Francisco schools. Mrs. Mathis is a graduate of San Jose State specializing in first grades. She has been teaching in Shafter city schools. Mrs. Sheldon is a graduate of the University of Seattle. She has been teaching at the Children's Country School in Los Gatos. Helen Jones is a graduate of Dickinson College in Pennsylvania. She has taught in nursery school.

Edward Carman Talks To Garden Club Meeting

Mr. Edward Carman of Carman's Nursery spoke to members of the Campbell Garden Club Wednesday on the propagation and planting of perennials.

Mrs. Robert Dunn, chairman of the exhibit committee for the county fair reported to members that work on the exhibit is progressing according to schedule. Further details of the exhibit were discussed by the members. Guests at the meeting were Mrs. Clifford Moore and Mrs. Edward Pohlhammer.

Mrs. Emil Kollmer, program chairman, reported that the next regular meeting will be held in the home of Mrs. Budd Levenberg on September 5. At that time, members will be conducted on a tour of Mrs. Levenberg's tropical gardens. Members will meet at the library at 1:30 for transportation to Mrs. Levenberg's home.

VFW Plans Sunday Picnic

Members of the Lt. Byron C. Lanphear Post 6305 of the VFW are making plans for a picnic to be held Sunday, August 26, at O'Dell's Lovely Glen above the Almaden Dam. All the facilities of the picnic grounds will be available to member veterans and their families and friends and all eligible overseas veterans. Dancing and entertainment will follow a potluck picnic dinner furnished by the auxiliary during the afternoon. Those attending are asked to bring their own table service.

A benefit dance will be held September 21 at the Napredak Hall on Lawrence Road. "Shorty Joe" and his Western band will furnish music for the event.

Missionary Family Arriving Friday From Red China

The Rev. and Mrs. James Garrison and two children, Judy, 2½ and James, 9 months, are expected to arrive Friday afternoon aboard the President Wilson when it docks in San Francisco from Hongkong, China. Rev. Garrison and his family served as missionaries in Szechwan Province in the town of Hweili, before it was taken over by the Chinese Reds nearly a year and a half ago. Since that time, communications from the Garrison family, and other missionaries stationed there, have been very scarce, and it has been only after long negotiations with the Red officials that the missionary family were allowed to leave.

According to reports received by the Conservative Baptist Foreign Mission Board of the First Baptist Church of San Jose, which sent out Rev. and Mrs. Garrison four and one-half years ago, the missionaries were forced to walk the 250 miles from their mission station to the free China line, and accomplished this hike in 23 days. On the way, the wife of one of the other missionaries died en route and was buried by the wayside. Word received from the Garrisons since they arrived at Hong Kong indicated that they were all as well as could be expected after a year and a half of virtual imprisonment by the Communist Chinese. Three other couples and six children who were also stationed at Hweili have yet to receive permission to leave Red China, and it is for their sake that discretion is to be employed in describing conditions in the mission field.

Rev. Garrison is the son of Mrs. Mattie Garrison of 48 Casey Road, while Mrs. Garrison is the daughter of Mrs. Carmela LaRocca of Morgan Hill. Several members of the family as well as a number of members of the missionary board planned to be on hand to welcome the Garrisons when they arrived in San Francisco.

Pat Means models a corduroy "Jeri Jacket" and wool plaid skirt at the Campbell High School. The Jeri Jacket, one of the innovations of style designers for back-to-school fashions, has the new versatile cuff which may be worn up or down. Accentuating the cuffs are the large patch pockets. One of the features of the jacket is a full length zipper. Skirt is of hard wool finish with box pleats. Both are available at RACHEL'S in Campbell. Press staff photo.

CAMPBELL REGISTER

Mr. and Mrs. RICHARD MILTON, formerly of Buena Vista Street in San Jose, are now living with Mrs. Milton's mother, Mrs. J. V. BROWN. Mr. Milton is employed as a storekeeper at Moffet Field.

CLAUDE OLIVER GRIZZLE was a Sunday visitor at the home of his parents, Mr. and Mrs. CLAUDE N. GRIZZLE of Alice Avenue. Claude is a junior medical student at Stanford.

Mr. ROBERT SCHOLZ and Miss ANNA SCHOLZ, San Jose-Los Gatos Road, attended a birthday party Sunday in Los Gatos in honor of their nephew, DON STRAUB, who observed his 19th birthday.

Mrs. UNA ADAMS of Ventura spent last week visiting with her friend, Mrs. JIM RELFE of Campbell. Mrs. Adams is spending a few days visiting her son in Redwood Estates before returning to her Ventura home.

Mrs. EDITH SOUDER is now at home from the hospital recuperating from a recent operation.

Major and Mrs. H. E. LILLINGTON of Old Orchard Road returned recently from their vacation, which was spent visiting with Mrs. Lillingston's sister, Mrs. W. W. WELLS in Los Angeles. The Lillingstons also spent five days vacationing at Hartsook Inn on the Redwood Highway. Since their return, Mrs. Lillingston has been called for jury duty in San Jose.

Mrs. LOUISE TORDT and her daughter, SHEILA, returned on Wednesday from Girl Scout Camp at Huntingtong Lake, where Mrs. Tordt served in an advisory capacity. Mrs. Tordt and her daughter leave this week to visit her sister and brother-in-law, Mr. and Mrs. W. W. WATSON at their home in Escondido, near San Diego.

Luncheon guests at the home of Mr. and Mrs. C. M. CLEVER Friday included Mr. and Mrs. W. H. PAINE and children, CHARLOTTE, JOHN and MELISSA of San Diego and Mrs. E. E. Winters of Pacific Grove.

Miss BOBBIE JO FIELD, daughter of Mr. and Mrs. CARL B. FIELD and Miss CHRISTIE FIELD, their granddaughter, left Monday morning by plane for Choctaw, Montana, where they will visit Mr. and Mrs. CARL B. FIELD JR. The travelers also plan to spend a few days at Jackson Hole, Wyoming, before returning to Campbell in approximately ten days.

Margaret Kolze Will Wed San Jose Resident

Mr. and Mrs. George Kolze, 236 Carlyn Avenue, recently announced the engagement of their daughter, First Lt. Margaret Kolze, Army Medical Corps, to Clarence Schug of San Jose.

Lt. Kolze, a dietitian, is presently stationed with the 382nd General Hospital at Kanaoka Barracks near Osaka, Honshu, Japan. No date has been set for the wedding.

The Kolzes moved to Campbell approximately six years ago from their native Illinois. Schug is also a native of Illinois and moved to San Jose approximately six years ago.

Blair-Roberts Engagement Is Announced

Mr. and Mrs. E. M. Blair of 29 New Jersey Avenue, Los Gatos, announced the engagement of their daughter, Lois Gene, to Mr. Joseph Roberts of Long Beach at a luncheon Tuesday afternoon.

Miss Blair is a graduate of Campbell Union High School, and is now attending San Jose State College. Mr. Roberts attended schools in Long Beach, and graduated from San Jose State college. Mr. Roberts is teaching English and Dramatics at Washington Union High School, Centerville.

Thanksgiving Day has been set for the wedding. The couple will make their home in Centerville.

two weeks camping trip on the Monterey Bay beaches.

JIM MCINTYRE is visiting this week with the Elmer Andersons. Jim and Elmer Jr. are planning a camping trip during the last week in August.

Decide Now How Fall Fashions

Most important decision to make regarding the season's new fashions is how they will look on you. You must decide which of the new fall designs will do the most for your figure and coloring and which will be detrimental to your own characteristics.

If you are going to be practical, that decision isn't going to be made by looking at pictures, but by considering many things. Can your figure stand the shorter, more shapely jackets that invariably accompany full skirts? If you are not planning a new coat, will last year's do over a full-skirted dress or suit? And, if you are planning a new fitted coat, can you wear it over whatever important clothes you have left from last year?

Generally speaking, if you are quite short, straight skirts will be most becoming. If you are tall, chances are you can wear the full-skirted well. Average figures can wear either, as long as they are not extremes. Fabric is important in making the most of a silhouette. Straight skirts need firm fabrics that will not "sit" out of shape. If you are wearing a full skirt of a soft fabric, by all means wear a petticoat under it.

HERE'S AN EXCEPTIONAL BARGAIN

Your telephone dollar buys more telephone service than in 1940

1. The way prices on most items you buy have shot up, in these inflationary times, you might expect that your telephone rates would have gone along, too. For, just as the things you need to run your home have climbed, so have our costs of providing telephone service—wages, taxes, material costs. But actually, the increases in telephone rates do not even cover our increased wage costs alone.

2. You have more telephone service—and better telephone service—today than ever. And the value you're getting for your telephone dollar is due, basically, to just one thing. Over the years your telephone system has had the financial strength to attract the investors' money needed to build the equipment and develop telephone service to a mighty efficient level. And with a financially strong system, the telephone can continue to grow in value and usefulness to you and to all the nation.

3. You buy telephone service for just one thing—to have a quick and handy way to keep in touch with other people. Today you can call about twice as many telephones as you could in 1940. And when you compare just that one tremendous increase in value with the small increase in telephone rates, you can see that what you pay for service has actually dropped considerably—in terms of what the telephone can do for you.

Your telephone is one of today's best bargains

Pacific Telephone

ROTARY CLUB HEARS SMITH SPEAK

Al Smith of the Campbell Rotary Club told fellow Rotarians of pack trips into the high Sierras last Monday noon. Smith related the various methods of making pack trips including walking with pack on back, leading an animal on foot and leading an animal riding. Smith said that in most cases, guides were available for anyone who desired to use them and advised the inexperienced person to secure the services of a guide before attempting a pack trip. At the close of his talk, Smith showed colored slides of various pack trips he had taken.

An announcement was made that no Rotary meeting will be held on September 3 because of Labor Day.

Harvest Party Planned

A harvest party and dance are being planned by members of the Orchard City Grange for members and all county grangers. Those attending have also been asked to come attired in harvest clothes. A. J. Emery and Mervyn Keesling are in charge of arrangements.

YOU'RE READING THIS, AND SO ARE 15,000 OTHERS — IT PAYS TO ADVERTISE!!

Mrs. Robert M. Dunn, left, and Mrs. Norman Corvello, president of the Campbell Garden Club, plant grass seed for lawn in the display grounds for the club's exhibit at the county fair. In the background, Johnny, left, and Keith Corvello rest from their shoveling and hauling work. The Campbell Garden Club plans to exhibit an informal garden.

Danny Fans 15 To Down Netops In 10-1 Contest

A strong VFW team rolled over a hapless Netops, 10-1, as superior hitting and closer mound work gave the league leaders a victory last Monday night. Two hits, one which set up the Netop's only score in the last inning spoiled a no-run, no-hitter for VFW pitcher Danny as he missed his second close one in the second half of league play. The impressive VFWer fanned 15 men and gave up no passes in whipping the Netops.

The VFW got off to a slow start and failed to score until the fourth when they unleashed a three-hit spree to score four times with Andy blasting one all the way for the only home run of the game. The fifth stanza saw the league leaders score twice on three safeties. In the sixth, they brought in four more on two safeties.

In the top of the seventh, Martin socked one of Danny's pitches for a single and took advantage of his position to score the only tally for the Netops. Andy socked a single in the bottom of the seventh for VFW, but his team mates failed to bring him in.

Summer Program Draws To Close

Saturday is the last day of the Summer Recreation program for approximately 600 children of Campbell and the surrounding area. The arts and crafts division of the program will be brought to a close today with the swimming program closing tomorrow. A baseball playoff for members of the twilight teams, Campbell, San Tomas and Moorpark, will be held tonight on the Campbell Grammar School grounds at 6:30 p.m. The program, running from July 10 through August 25, provided education and entertainment for approximately 600 children. Neal Royer, director of the program, extended his thanks today to all teachers and parents.

West Covina	0.35	0.35	0.35	0.35	0.35

The following listing of sixth-class cities incorporating during the calendar years of 1946-49 is given as an aid to interested parties in their further study of financial transactions and determination of necessity for applying a city tax rate of varying amounts. Necessarily it is essential to consider economic trends and local problems in all comparisons. For example, industrial localities present problems not encountered in a community that is mainly residential in character.

Municipality	County	Location	Date of Incorporation
Barstow	San Bernardino		Sept. 30, 1947
Brentwood	Contra Costa		Jan. 21, 1948
Capitola	Santa Cruz		Jan. 10, 1949
Coachella	Riverside		Dec. 13, 1946
Folsom	Sacramento		April 20, 1946
Galt	Sacramento		Aug. 16, 1946
Gonzales	Monterey		Jan. 14, 1947
Greenfield	Monterey		Jan. 17, 1947
Guadalupe	Santa Barbara		Aug. 3, 1946
Kerman	Fresno		July 2, 1946
Live Oak	Sutter		Jan. 22, 1947
Millbrae	San Mateo		Jan. 14, 1948
Orange Cove	Fresno		Jan. 28, 1948
Pismo Beach	San Luis Obispo		April 25, 1946
Port Hueneme	Ventura		March 22, 1948
Portola	Plumas		May 16, 1946
San Pablo	Contra Costa		April 26, 1948

The following tabulation shown ten newly incorporated cities that were operated for considerable periods of time without benefit of property tax income. In addition, the governmental receipts of each city were greater than the payments for costs of city government. The column "Period of Operation" covers only the time between date of city incorporation and end of the first full-reported fiscal year ending June 30. Manifestly property tax income is not immediately available at beginning of the next fiscal year starting as of July 1. Yet, no attempt has been made to ascertain the exact length of time elapsing between date of city incorporation and date of actual tax collection.

Newly Incorporated Cities	Period of Operation	From	To	Receipts	Payments	Surplus
Pismo Beach	4-25-46	6-30-47		\$6,841	\$9,775	\$27,066
Folsom	4-20-46	6-30-47		\$18,338	\$8,485	\$9,853
Portola	5-16-46	6-30-47		19,185	13,181	\$6,003
Kerman	7-2-46	6-30-47		9,412	6,061	\$3,351
Guadalupe	8-3-46	6-30-47		19,927	9,503	\$10,424
Galt	8-16-46	6-30-47		4,618	523	\$4,095
Coachella	12-13-46	6-30-47		6,871	4,052	\$2,819
Barstow	9-30-47	6-30-48		72,262	36,278	\$35,989
San Pablo	4-26-48	6-30-49		158,907	138,795	\$20,112
Capitola	1-10-49	6-30-50		24,044	18,615	\$5,429

If the probable estimated income as first above mentioned proves to be reasonably correct, the incoming city council should not find it altogether impossible to operate the city of Campbell without the use of a city tax rate, at least during the first year of operation. However, it is conceded that it may be advisable to establish a reserve fund by adoption of a temporary city tax rate of something around 50 cents per \$100 of assessed valuation. Let us hope that a little "cash on hand" won't cause the council and city officials to suffer the agony of sleepless nights wondering how they can spend the money.

Cycle of operation includes a 45-second spray, five minute wash, another five minute wash, two one minute rinses and a thirty minute drying period. Available now at CAMPBELL FURNITURE AND APPLIANCE.

Los Gatos Is Assured Of League Lead With Win Over Grammarians

The Los Gatos Kiwanians assured themselves of at least a tie for first place in the second half of the B league when they rolled over an outclassed Campbell Grammar last Thursday night, 18-0. Pitcher Boggs allowed the locals only two hits during the contest as his own men garnered a total of eleven safeties.

The Los Gatos got off to a quick start as they scored seven tallies in the bottom of the first stanza on three hits. The third frame saw them score again following the Grammarians' first hit of the game when James swatted a single.

The Campbellmen got their only hit of the game in the top of the fourth when Sipes blasted a single. The Kiwanis came back in the bottom of the same inning to roll up an impressive total of five hits for seven runs.

The bottom of the last frame saw the Los Gatos batmen take another hit for three more tallies. Heavy hitting and excellent mound work kept the locals from breaking into the open.

Netops Slip By Independents In 8-9 Thriller

A last inning run gave the Netops the edge over the Independents in an 8-9 battle last Wednesday night. With a score all knotted up at 8-all following the end of the second frame, good field work kept the Independents from bringing across another tally while the Netops couldn't take advantage of two safeties in the third. The final tally came in the last stanza when Mahre blasted a single for the Netops. A walk and a single by Wren brought Mahre in with the winning run.

Both teams opened up strong with the Netops bringing in four tallies on two hits in the top of the first. The Independents swarmed back in the bottom of the same to swat two safeties for four runs and a tie.

The Netops cornered two singles for four more runs in the second, but watched their opponents duplicate the score when DuBois took a single, Lyons walked and Sisemore knocked one over the fence to bring in himself and his two team mates. Peterson took a base on an error and evened it up at eight all when he hit paydirt following a walk by Shane and a single by Rice.

Both teams played close ball for the remainder of the contest with the edge going to the Netops for two hits in the top of the third and two in the last.

The Independents tried to make a come back in the last when Aspesi and Pounds passed and DuBois took a single, but the effort wasn't enough as Lyons fanned for the last out.

NEWCOMERS

A girl, Barbara Elaine, was born to Mr. and Mrs. John A. York, 515 E. Casey, on August 13, in Santa Clara County Hospital.

A boy, Richard Phillip, was born to Mr. and Mrs. B. C. Overstreet, 5 Lowell Way, on August 11 in O'Connor Hospital.

Campbell Girl Attends National Cleaners School

Marie Becklen, assistant manager of Benson's Cleaners in Campbell, has just returned from Silver Springs, Maryland, where she participated in a two-week course in the Institute of Cleaning and Dyeing. The course includes instruction in various cleaning and dyeing processes and managerial and bookkeeping methods.

Accompanying her on the trip east were her mother and father and her brother. Following her graduation from the course, she spent several days in New York visiting relatives.

Miss Becklen is a graduate of Campbell High school. During her senior year in school, she gained credits for her business courses by working for Benson's Cleaners. Following her graduation from high school, she was employed by that establishment as assistant manager.

Mr. and Mrs. R. S. Ogren of Stockton announced the birth of a son, Charles Hubert, on August 6. Maternal grandparents of the child are Mr. and Mrs. A. E. Brydon of Campbell.

Marie Becklen, second from left, is shown taking courses in the National Cleaning and Dyeing Institute in Maryland. Marie, who is employed by Benson's Cleaners in Campbell, recently graduated from the school with top honors.

SERVICE NOTES

ENLISTS IN NAVY

J. D. Williams, son of Mrs. Mentie Williams of 32 Gilman Avenue, Campbell, has been accepted for enlistment in the Regular Navy through the San Jose Recruiting Station. He enlisted for four years in the rating of Seaman Recruit, and was transferred to San Diego for training. Prior to his enlistment, he attended Campbell Union High School.

HOWARD BALL JOINS NAVY

Howard O. Ball, 18, son of Mr. and Mrs. Tyner Ball, of 30 Gilman Avenue, has been accepted for enlistment in the Regular Navy through the San Jose Recruiting Station. He enlisted as Seaman Recruit for a four-year term and was sent to San Diego for training. Prior to his enlistment, he attended and graduated from Campbell Union High School.

Disease Report Shows Increase

Diseases reported to the Santa Clara County Health Department during the week ending August 11 increased slightly below the corresponding week of 1950. Twenty-eight cases were reported this week; during the same week of 1950, thirty-nine cases were reported to the County Health Department. Seven cases of polio occurred in scattered areas within

Planners To Hear Rezoning Petition

The Santa Clara County planning commission will take under advisement today a petition for a proposed amendment by Tilson and Sanfilippo to reclassify certain property from an R-1-B-2 zone to a C-1 zone.

The property which the men wished reclassified as a commercial zone is located between Saratoga avenue and Quito road south of the intersection and north of Paseo Cerro of the El Quito Park subdivision.

PRE-WAR ADMISSION AT FAIR

The California State Fair, August 30 through September 9, is offering its greatest program of free entertainment this year with admission to the grounds still the pre-war charge of 50 cents, including Federal tax.

the county. Single cases were reported in Sunnyvale, Cupertino, Saratoga, the Mountain View area, Los Gatos area, and two cases were reported in Los Altos. Five cases of gonorrhea and four cases of syphilis were also reported this week. So far this year thirty-five cases of polio have been reported to the County Health Department. Last year ten cases were reported during the same period.

The epidemic of measles appears to have subsided; only one case was reported this week. The epidemic of measles is largely responsible for the great increase for the total number of diseases of all kinds reported to the county Health Department so far in 1951. To date there have been 2,652 cases of measles reported in the county. Last year only 71 cases were reported during the same period.

Always popular with any young lady is the classic matching Sweater Set. The model pictured is wearing Helen Harper originals. Cardigan, \$6.95. Slipon, \$4.98. May be seen at DOLLY ANN SHOP, headquarters for Helen Harper originals. In assorted colors.

\$283.98 for boys. Boys estimated a yearly expenditure of \$72.54 for suits, largest items of their budget, while the largest item on the budget for the girls was \$108.88 for suits and dresses, the figures represented in the chart below are the average budgets of more than 500 boys and girls from the 48 states, Alaska, Hawaii and Puerto Rico.

Last Rites For Pioneer Resident

Funeral services were held for Mrs. Mary J. Palmer, pioneer resident of Campbell, Saturday in the Campbell Methodist Church. Mrs. Palmer, 83 at the time of her death, was residing with her daughter, Mrs. E. R. Kennedy of 61 Catalpa Lane. Rev. Herbert W. Neale officiated at the rites which were under the direction of the Rutherford Funeral Home.

Mrs. Palmer, ill for several months, succumbed August 15. A resident of Campbell for 44 years, she has long been an active member of the Campbell Methodist Church and served as communion steward for 25 years.

She was born in Missouri, where her husband, William L. Palmer, died before she came to California. She leaves a daughter, Mrs. E. R. Kennedy and a brother in Missouri.

Campbell Trucker Dies; Services Held

George Barnes, proprietor of a trucking business in Campbell, succumbed in his Sunnyside Avenue home Sunday following a short illness. He was 51 at the time of his passing. He had resided in Campbell for approximately six years.

He leaves his widow, Lila, and son, Clair L. Barnes, both of Campbell; his mother, Mrs. Edgar Rollins of Hayward; a brother, Fred E. Barnes of Escalon; a sister, Ethel Atmore of Santa Paula, and a granddaughter, Susan Barnes of Campbell.

Services were held Tuesday in San Jose with interment in Oak Hill Memorial Park.

Girl's Clothing Budget Is Larger Than Boy's List

A recently conducted survey in Events magazine compared the annual clothing budgets of teen-age boys and girls. The survey disclosed that average yearly budget for girls was almost \$50 higher than that of the boys. Total for girls is \$329.45 as compared to

Grange Members Warned Of Price Troubles At Meet

A marketing report given by the Orchard City Grange last week urged orchardists to joint cooperative associations in order to provide a better price program for prunes and apricots.

Keesling told the group that the low apricot crop had forced the price of dried apricots to from \$110 to \$120 per ton. He emphasized that packers were still waiting OPS ceiling programs before quoting prices on this year's crop. Many of the orchardists are making a mistake in selling on the open market and pulling down the standard for the whole trade, he told the group.

Members entered a complaint to County Supervisor Earl Campbell concerning damage and loss of grange trees along Winchester Road following burning of the right-of-way by the Southern Pacific Co. Campbell told members that the trees would be replaced.

Wesley Youngclaus stated that the grange booth at the county fair would occupy the same location as it did last year. Youngclaus advised that all persons having fruit to contribute make arrangements to have it available at least a week before the opening of the fair. All fruit jars used are to be wide mouth. Arrangements are also being made for cold storage of perishable fruit to be used on display.

The lecture program, under the direction of A. J. Emery, consisted of pictures on the Goodwill Industries shown by Rev. Edwin Bowling of Campbell.

Refreshment committee for the evening was under the direction of Mr. and Mrs. Stanley Smith, assisted by Mrs. Benson Merrill.

Last Rites For Pioneer Resident

Final rites were held Monday for John A. Scorsur in San Jose. Scorsur passed away on August 16.

He was the husband of Mary E. Scorsur, son of Mrs. Ellen Scorsur and the late Nicholas Scorsur; brother of Andrew M. Scorsur and Catherine J. Scorsur, all of San Jose, and Nicholas J. Scorsur of Orange Cove. He was a native of San Jose and was 61 at time of his death.

LEGAL NOTICE

More About Farmer's Corner

(Continued from page 2)

you did that, you'd find clusters of them all around town, like bananas."

Other examples of Federal Government spending revealed to Congress are as follows:

While Congress debates increas-

FEDERAL EMPLOYEES The most recent figures indicate that the number of Federal employees has increased during the last 12 months at the rate of 6,073 per week—the total number now being 2,409,121. California's Congressman Scudder indicates that the present payroll is reaching the \$8.3 billion dollars a year it consumed during World War II."

ENTERTAINMENT

On another front, Congress has noted that it costs \$8 a plate to entertain foreign dignitaries. The State Department, Congress states, spent \$675,000 last year for these functions and has requested one million dollars for the coming year as the previous allocation was "inadequate."

Comments Congressman Scudder:

"In the five years of the present Administration, fiscal years 1946 to 1951, expenditures amounted to over \$266 billion dollars. During the 144 years from the time of George Washington to 1933, all Administrations combined spent a total of \$112 billion dollars. During the 12 years preceding 1946, \$372 billion dollars were spent—and indications are that the current Administration will top this record."

While Congress debates increas-

ing the Nation's taxes to as high as another 10 billion dollars annually, it is to be hoped it digs deeper into how the money already collected is spent. At the rate the Nation is spending, every little saving is going to help.

180 Horsepower!

Until you
drive it
you'll
never know
what

Chrysler FirePower V-8

does for you!

YOU'VE HEARD THE TALK about Chrysler's revolutionary new V-8 FirePower engine... with its 180 horsepower, its amazing smoothness and acceleration...

NOW COME DRIVE THE REASON for all this excitement. Here is the most revolutionary advance in American motor car engine design in 27 years!...

HERE'S 180 HORSEPOWER... a full 20 horsepower more than that of the next most powerful American passenger car engine!...

A NEW KIND OF HIGH COMPRESSION... the first Hemispherical Combustion Chamber in an

American car engine actually puts to work more of the energy contained in the fuel than other engines.

HERE'S EXCITING PERFORMANCE... responsiveness, acceleration, smoothness, which no other passenger car engine built in this country can equal today. And you can have it with FirePower even on non-premium grade gasoline.

HERE'S THE SAFETY OF POWER-IN-RESERVE greater than you've ever had at your command—a new high in the instant responsiveness which is the very essence of safety on today's highways!

YOU'LL LIKE CHRYSLER'S POWER BRAKING, TOO... smoother, gentler, swifter stops at any speed than you've ever known. At the touch of your toe, power from the engine helps put on the brakes... reduces foot pressure by as much as two-thirds!

AND HYDRAGUIDE... THE NEW POWER STEERING! It makes driving a car a brand new experience. At your touch on the wheel, hydraulic power provides four-fifths of the steering energy. Even at a standstill, you can turn the wheels with your thumb and one finger! A great safety feature.

COME DRIVE IT... ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES!

CONGRESS INVESTIGATES FEDERAL EXTRAVAGANCE

While Congress debates nipping the Nation for increased taxes, the lawmakers evidently have decided, too, to determine just where some of the money is going.

Take the matter of government

automobiles. Here is the report of one California Congressman:

"A Congressional committee has been told that the Executive branch of the Government, alone, is operating 19,888 automobiles—mostly big, new, shiny ones—not including those used by the Defense Department. They hire 7,022 full and part-time chauffeurs to wheel them about. Jes Larson, General Services Administrator, said it cost the taxpayers nearly \$6 million dollars to purchase the cars, but did not estimate their maintenance costs. He said, however, that mileage varies from 16.4 to 8.3 miles per gallon."

Armed with that information, the Senate has voted amendments to the \$6,221,000,000 Independent Offices appropriation bill which will have the effect of eliminating all chauffeurs for thirty federal agencies and knock out authorizations for 525 cars.

YELLOW CARS

Commenting on the uses of cars and chauffeurs by Federal officeholders, Senator Bridges declared: "I'd be in favor of painting all government cars some bright color, like, yellow, so we'd know them wherever we see them."

Remarkd Senator Ferguson: "If (Continued from Page 3)

Deputy President Visits Rebekahs

District Deputy President Mrs. George Hinkley paid her official visit to Ada Rebekah Lodge 223 in Campbell IOOF Hall August 21. She was escorted to a seat of honor at the right of the Noble Grand, Mrs. Ira Wyse.

Guests of the noble grand were Mesdames Ray Boone, Ralph Bronzich, Harold Browning and Miss Mariella Allinger. Vice Grand Mrs. DuBois Rhine had as her guests Mesdames Herbert Bryan, Ray Wood, Ferrin Burgess, and Miss Catherine Lambert.

Other guests were Mesdames William Opperman, George McLellan, Nina Hainer, William Gerrans, Robert Hippler, Fred Eaton, Arthur Lowry, Mr. and Mrs. Willard Chaffin, Peggy Hainer, Violet Weeler, Birdie Singleton, Mae Basinger, Hazel Tousseau, Louise Stover, Agnes Hall, Gertrude Argil, Mary Yoe, Bella Collins, and Mr. George Hinkley.

Gifts were presented to the District Deputy President and her Marshal by Mrs. A. D. Rice and Mrs. Frank Livingston.

It was announced the Stitching Club will resume its meetings on

September 12 in the IOOF Hall. Ada Lodge will take the good fellowship program to Elmwood Rebekah Lodge in San Mateo December 5.

The Past Noble Grands Club was in charge of refreshments and decorations.

St. Lucy's Club Will Hold Party

St. Lucy's Women's Club will hold their regular monthly card party Friday, August 31 at 2:15 p.m. in the library hall. Refreshments will be served and prizes will be awarded. The public has been invited. Committee in charge of the events includes Mrs. Joseph Homen, chairman, and Mesdames J. I. Baker, Antone Ferro and John Daniel.

The California State Fair, August 30 through September 9, is still a favorite place at which to picnic and plenty of shaded spots with tables are available to all.

New fashions feature the completely washable nylon dresses. Left: Mandarin mood features self-piped collar, raglan sleeves, baby concertina pleats. Right: All nylon with baby pleated bodice and swirling skirt... diagonal detail of metallic threads. Both priced at \$17.95 at THELMA RICHARDSON'S Beverly-Burbank store.

Three Shapes Are Featured In The New Fall Coats

Most notable fashions of the new fall coats and suit-jackets are the cocoon shaped, the fitted coat and the sculptured jacket. The cocoon shaped coat or jacket runs to hem-length or hipbone length, usually in tweed, worn with a narrow skirt. The flat-back coat with bell sleeves, straight or slightly flaring at the sides, often reversible or lined with color, is an important alternate.

The fitted coat, belted or princess-line, flares from the waistline. All coats have a warm, wrapped-against-the-weather look. The tweeds are designed for town.

In contrast to the loose cocoon-jacket suit, the sculptured jacket seems painted on your figure, has a narrow flaring skirt is worn with a jersey or taffeta blouse or is buttoned up stark plain without a blouse.

Newest dress of the fall fashion has a skater's silhouette with a gored bell-shaped skirt and tight bodice worn over petticoats of taffeta or stiffened nylon net.

COLOR IMPORTANT

Don't forget color in your fall ensemble. Fabrics for the new fashions are full of texture and electrified with color—scarlet and rouge-red, emerald green, stain-glass blue, bright turquoise and new ginger and shell shades. A coat can be in any of these colors, a velours hat or velvet evening dress most often in royal blue, a capeskin glove in tawny gold or red. On the other hand, costumes may be all black, oxford gray, or oxford brown.

Hats can be a colat, a pillbox, a side tilted cloche or toque, often

with a big gold stick-pin. An extra large piece of jewelry has the effect of accentuating an ensemble extremely well.

Bags may be box or satchel shaped with a frame or flat rectangle in alligator or calf-skin. Scarves are of taffeta or a fold of satin, or a velvet ascot combined with leopard fur.

Use Brilliant Colors With Fall Ensemble

Accessories will run to bright and startling colors with the new fashions this year. Black dresses with startling red accessories of red gloves and a scarlet carnation are suggested, as is sapphire blue. This produces a wonderful accent with black furs, or a black wool coat or suit.

Another suggested combination is an emerald green scarf worn with a red calfskin bag and matching gloves. Or the bag may be of alligator with sand beige satin scarf and matching gloves.

Scarlet coats are more basic than is usually thought. Wear one with leopard turban or with a black hat. Gloves can be of natural cape skin or black leather to match the black hat.

Gray is a basic color which can be accented by any number of brilliant accessories. Gold or blue depending on the wearers moods, go exceptionally well with soft blue-grays.

BETTER THINGS

Fairgoers at the seventh annual Santa Clara County Fair, which will run from September 10-16, will have a chance to see and compare better things for better living being exhibited by commercial concerns throughout the country. The commercial exhibits will be one of the most significant displays at this year's fair.

LEGAL NOTICE

NOTICE FOR BIDS FOR PURCHASE OF SCHOOL AND OFFICE FURNITURE.

Sealed bids will be received by the Board of Trustees of the Moreland Elementary School District at the office of the Clerk of said district in the Moreland Elementary School, Payne Ave. and Saratoga Road, San Jose, California (Route 1, Box 270) until 8:00 P.M. September 11, 1951, and publicly opened on or about that time, for the purchase of various items of school and office furniture consisting of:

Desks, tables and chairs.

Plans and specifications for the above listed items may be obtained in the office of the principal of the Moreland School, Payne Ave. and Saratoga Road, Route 1, Box 270, San Jose, Calif.

Bids must be made in accordance with and subject to the said specifications on file in said office. Each bid must be accompanied by a certified check or bid bond, in the amount of Ten (10) percent of the bid and made payable to the Moreland Elementary School District. Said check shall be held by the Board of Trustees of the Moreland Elementary School District, as a guarantee that the successful bidder, or bidders, will furnish the merchandise as specified.

The Board of Trustees reserves the right to reject any or all bids, to waive any irregularities in the bids received, and to be the sole

judge of the suitability of the school and office furniture offered.

By order of the Board of Trustees, Moreland Elementary School District.

Dated: August 20, 1951.

Signed: GEO. D. ROBERTSON, Clerk.

Publish August 24, 31.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 22nd day of August, 1951, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Section District 10-an of the Fourteenth Unit of the Zoning Plan and Sectional District 10-az of the Twenty-second Unit of the Zoning Plan to reclassify certain property from an R-1-B-D zone to a C-1-H zone, said property located on the easterly side of Santa Clara-Los Gatos Road between Hamilton Avenue and Rosemary Lane; also property at the northeastern corner of Santa Clara-Los Gatos Road and Rosemary Lane, a more detailed description of which is on file in the office of the County Planning Commission.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 2:00 P.M. on the 5th day of September, 1951, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:00 P.M. on the 3rd day of October, 1951, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION
PATRICK H. PEABODY,
Chairman.

171.14.20. Aug. 24, Sept. 14

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the Secretary of the Planning Commission of the County of Santa Clara, State of California, has set the hour of 3:30 P.M. on Wednesday, the 5th day of September, 1951 in the Court House, San Jose, California, as the time and place for public hearing on the application of JOSEPH LA SCOLA for an adjustment in the provisions of Ordinance No. 84 to reconstruct a sign within the Official Plan Line of the San Jose-Los Gatos Road between Campbell Avenue and Dry Creek Road, a more detailed description of which is on file in the Office of the County Planning Commission.

INTERESTED PERSONS may appear and be heard at said hearing.

Ten Consolidated Precincts Named For Bond Election

Registered voters for the forthcoming West Valley hospital district bond issue total 14,134, according to the county registrar's office.

Election date is September 18 for the \$750,000 bond issue. The district which includes the Saratoga, Campbell and Los Gatos areas, will be divided into ten consolidated precincts.

Consolidated precinct No. 1 includes the four Alma precincts and has 881 eligible voters. Consolidated precinct No. 2 including Los Gatos 1, 2, 7, 8, 10, 12 and Vineland 3, has 1455 eligible voters. Precinct No. 3, including the remainder of Los Gatos and Vineland 2, has a total of 1494 registrants.

Consolidated precinct No. 4 consists of Farwell, Saratoga 4, 7, and Vineland 4, 5, 8, and has 1387 eligible voters. Precinct No. 5 includes San Tomas and the remainder of Vineland for a total of 1307 voters. The remaining Saratoga precincts and Cupertino make up precinct No. 6 with a 1698 registration.

Consolidated precinct No. 7 includes Union 2, 3, 4, 5, 8, and 11 for a 1482 registration. Precinct No. 8, made up of the remainder of the Union precincts, has a 1216 registration.

Precincts No. 9 and 10 include Campbell and Hamilton and have a combined registration of 3214.

Shortly before election, sample ballots will be mailed to eligible voters.

Summer Time Is Clean-up Time In Campbell District Schools

Most parents and students think that the preparations for returning to school are troublesome enough in themselves, but the task of getting ready for school is a never ending chore for maintenance and repair crew of the Campbell elementary schools. A crew of 13 full time custodians and maintenance men and numerous part time workers are

kept busy the year round with repair work in the classrooms, administrative rooms, special rooms, and halls.

While the crew is kept busy the year around, the principle part of the yearly rejuvenation starts the day after school is out in the summer and ends when the fall session opens.

One of the first projects of the custodians after school ends is to remove all furniture and desks from the rooms and stack it in the halls. Classrooms are then thoroughly swept out. The walls and woodwork, including baseboards, doors and wainscoting are then completely washed. The floors are scrubbed and sealed with several coats of floor seal. Some of the blackboards are re-slatted each year with the custodians doing most of their own work.

Breaks in plaster are repaired as are faulty door stops and cloak room hangers. All locks are checked for correct operation and the custodians see that enough keys are available for each lock. All door handles, hinges and hardware are checked and repaired if necessary.

A coat of heavy-duty wax is then applied to all classroom and hall floors.

Approximately 2600 desks are cleaned, repaired and, when they show the need, refinished. All kitchens and toilet rooms are thoroughly scrubbed and repainted and any faulty equipment repaired.

Broken windows must be replaced and every window in the various schools of the district must be washed inside and out. Custodians then replace all window blinds which show excessive wear, making the blinds themselves. The floors are then given a final coat of wax and polished.

Towards the close of the summer vacation, custodians are kept busy unpacking and distributing books and supplies. Certain members of the staff are kept busy for a portion of the three summer months making shelves, cabinets, and cupboards for various uses in the schools. Another task which must be done each summer is the re-bricking and re-insulating of the steam furnaces.

During the summer months, certain members are kept busy watering, trimming and cutting the lawns and shrubbery around the schools. In addition to all the tasks described, there are thousands of small repair and miscellaneous painting jobs which consume the time of the workers.

A mechanic is kept on duty part of the summer checking, cleaning and making minor repairs to the ten vehicles which belong to the district. He also notes any major wear and needed repairs on the vehicles and arranges to have them rectified by a garage. Buses must be maintained in a manner which will make them as safe as possible and minimize the cost of operation.

The herculean task which the 13 full time employees and various part time workers tackle each year is equivalent to the repair and maintenance of 125 average sized homes. The wear to the floors and fixtures of the classrooms may be compared to a housewife with 35 children tramping in and out of her house once every hour of the day.

Without the annual summer rejuvenation, the schools of the district, which represent an investment of 1 1/2 million dollars, would soon deteriorate and become useless. Without the chance to make major and minor repairs, the motor vehicles, valued at \$65,000, would become unsafe to operate.

KATHERINE HEPBURN, Hollywood actress—"It is plain women, like me, who know about love. The beautiful are usually too busy being fascinating."
